

- 1) Call for participation! We would like to expand what we do, but in our 3rd? Incarnation, there's only so much the current Board can do. We would like people to step up and do some volunteering, to expand our reach.
 - a) Interview Bears
 - b) Recruit
 - c) Attend events as a rep. of the BHPI (speak, flyers, links, chat)

- 3) Interviews, Stories, and Podcasts (Les, Mel, Clark, Phil)
 - a) Approx number of interviews done: 24?
 - b) Approx. number on our "get" list: 60 more?
 - c) State of progress getting them published: Clark is tagging the Descript version of files, so we have a better idea where we are on getting podcasts created.
(Where, in each interview, does the person talk about coming out, for instance.)
 - d) Phil has mocked up a page in the website to post the finished videos. I'm inclined to list all potential Stories, because that's easy, and we're far along – one for each interviewee. The podcasts will be harder, as we slice the interviews the other way.
