BHPI- adjacent: I think we have the files, audio and video, from the January book reading at Book Passage, from Yesica. Reviewing the files "now."

Also: working on the agenda for the May meeting. Anything to put on the agenda?

— A will do our annual tax filing.

— @N Hunter will write our official thanks to the Centaurs for all their support

— @Nick / @Les Might have a "final" report from the 3rd Cornell trip? / Next steps

— Digitizing of some videos is paid for and happening
